for your living space.

Serene Grandeur Room

Minimalist Elegance defines this 2026 design of Serene Grandeur, where architectural lines meet absolute calm. **The Emma Sofa** offers a clean silhouette and exceptional comfort, paired with the **Arcana Table**'s floating marble design. Completed by the sculptural embrace of the **Teddy Lounge Chair**, this room is a sanctuary of refined, effortless luxury.

WHERE TIMELESS TEXTURE MEETS
MODERN MINIMALISM

TAAN DESIGN 2026 - Emma Sofa and Arcana Table

Lumi sofa

Enwrapped in bespoke breathable linen for year-round elegance, its layered goose down filling offers an opulent embrace that is sumptuously soft yet perfectly supportive.

Calm Lounge Chair

Reflecting the timeless elegance of Gio Ponti's iconic 1956 design, this piece combines the rich texture of solid dark wax ash wood with a clean, modern silhouette. Paired with a removable polyurethane foam cushion and intricate horizontal quilting, it offers a sophisticated balance of comfort and style that enhances any contemporary interior.

REFINING EVERYDAY LIVING WITH ARTFUL DURABILITY

The Verve Table transforms your space into a masterpiece, blending a premium, scratch-resistant rock slab top with the quiet luxury of solid wood. It is the perfect intersection of visual sophistication and enduring everyday function.

MAXIMIZING LIMITED SPACE WITH TIMELESS FLEXIBILITY

The Kyr Sofa is designed around the concept of adaptable luxury where intelligent function and clean minimalism meet. This vision is built into a modern minimalist form, featuring high-density foam and premium Italian soft leather for lasting comfort. Engineered with a 3-level adjustable backrest and a rotating mechanism that smoothly transforms into an L-shaped setup, it offers ultimate versatility for compact living without ever compromising on refined elegance.

THE ZENITH SERIES

WHERE TIMELESS DESIGN MEETS EVERYDAY DINING

The Zenith series is built around the idea of Minimal Luxury—where clean design and quiet elegance come together. A perfect example is **the Zenith - Duo table**. This modern minimalist piece features a durable rock slab top that easily handles heat, scratches, and water. It is paired with a geometric metal base that provides solid stability while keeping the overall look clean and contemporary.

Zenith – Quad Dining Room

The striking inverted glass-shaped base, crafted from antique-finish carbon steel, provides a sophisticated and sturdy foundation for this design. Paired with a magnificent slab of large green marble sourced from Taiwan, it creates a refined look that balances natural elegance with modern Minimal Luxury.

Zenith – Plus

The intricate fusion of crystal glass directly welded to a geometric steel frame creates a clean, sophisticated look. With its artistic structure and refined lines, this piece adds a contemporary touch to any room, perfectly balancing modern style with an understated sense of luxury.
